[You hosting a Shake Party] Hey _____ (Guest)! This is _____. How are you guys doing? The reason that I’m calling is _____ and I recently attended a Shake Party and had so much fun that we decided to host a Shake Party for our friends this _____(date).

[Guest] What’s a Shake Party?

[You] We’re going to make a variety of different shakes, vegetable shakes, fruit shakes, dessert shakes. Basically come hungry and you’ll leave full, while at the same time learn easy recipes for making delicious and healthy smoothies. These shakes are great for keeping a healthy weight or creating a quick healthy meal on the go. By the way, we do ask for a \$3 donation to help cover the cost of providing the shakes. Once I know how many are coming I’ll get everything. All you have to do is show up. There will be shakes for sale at the end of the evening, but don’t feel any pressure to buy anything. The cover charge covers the cost of the meal. I promise it will be fun, and you’ll get some great ideas for a healthy 2009.

[Guest] Let me talk with my wife (or husband), and I’ll get back with you.

[You] Great! We’re trying to get a solid count by the end of the week so we know how many to prepare for. If it’s okay, I’ll give you a ring in a couple days to see if you guys can make it.

[Guest] That sounds like fun! Yes, I’d love to come!

[You] Great, I’ll put you on the list. If something happens that you are unable to come please let us know at least 3 days in advance, since we need to know how many are coming so we can accurately prepare enough stuff for the smoothies.

[Guest] Are you doing this as a business?

[You, as a distributor] Yes, my spouse and I have been using these products for _____ and have really been impressed! Recently we decided to start a business sharing these products with others. Shake Parties are an enjoyable and relaxing way to spend time with friends and have fun. If after trying the shakes people like them and want to purchase something, that's great, but otherwise I don't want them to feel pressure to buy anything as the cover charge covers the cost of the meal. Just come have fun with us.
