ABOUT THE BOOK

Did you know your body sends you warning signals? Do you know how to read them? Your Body's Sign Language will teach you to identify the messages conveyed by your body through the skin, eyes, teeth and other body parts.

READER FEEDBACK

"You have done an outstanding bit of work with the book. Its arrangement is so logical, easy to read, with so much good information the document is very good and useful. Congratulations!!"

~Arthur Furst

"Jim, the books are fantastic. And terrific. And helpful. And great. And a must for everyone. And I hope you have ordered another printing, because I need another boxfull!!!! I showed one to a Doctor I see once every pancake day and he ordered a copy right then and there."

~Doreen (Australia)

"I enjoyed very much Your Body's Sign Language: Clues to Nutritional Well-Being. It's absolutely perfect. I will treasure it in my reference book library always. Thank you so much." ~Robin

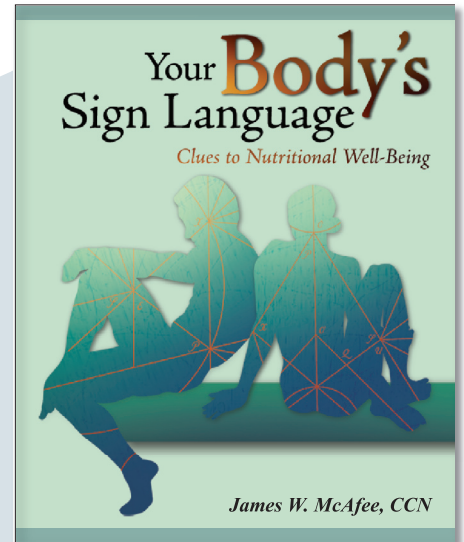

"It is really a wonderful life work, very beautifully done, an incredibly unique resource! Congratulations and many thanks."

~Kathryn & Jim

"I am having difficulty tearing the book from my wife's hands. She is devouring every page with fascination and appreciation."

~Howard G. Hendricks, Distinguished Professor, Chairman, Center for Christian Leadership

"I have always enjoyed your tapes, and gotten so much from them. Now this book! The introduction is so well done. It has an easy, yet informative style that captivates you." ~Judy RN, BSN
